## **OH CRUMBS**

If you are looking for your team to 'RISE TO THE CHALLENGE' whilst having fun, getting to know one another and learning some new skills, this is the event for you.

This is a hands on culinary masterclass where delegates are taught to make different kinds of bread - without an oven. It is an interactive event where everyone can partake. Great for delegates that are new to a team and KNEAD to get to know one another on a social level.

Our team set up a 'Mock' cooking class where we bring in Work Counters, All Ingredients and Equipment to make your event a great success. The vibe is set with French Café Music, Guests Dress the Part of a Baker at Work. We provide cheeses and Salsas to compliment the interesting breads that are created.

Once everyone is 'done and dusted', we also provide Recipes for each delegates so that they have good 'Take-Home' Value.

BONUS: If you do not have a venue for this event, we can provide you with a choice of two.
