

ZORB SOCCER

Zorb Soccer is a wacky and fun team game which takes playing soccer to another level. Surrounded by the inflatable bubbles, you and your team players will bounce, bump and spin around the field to try and score goals. That's if you can stop laughing!

Zorb Soccer is used in playing a soccer game while half-covered inside an inflated bubble, similar to a zorb, which covers the player's upper body and head. This game is typically played in teams in large indoor spaces or outdoor fields. The game follows very similar rules as normal soccer for example the team will compete to hit a ball into the opposing team's goal, with the added restriction of each player wearing an inflatable bubble.
