

TEAM BUILDING  
WORKING AS A TEAM

## AFFORDABLE ADVENTURES **TEAM BUILDING**

EVERYTHING A **SUCCESSFULL** TEAM NEEDS

### **BUILDING BRIDGES**

Teams need to feel safe in order to work effectively and trust one another. This activity includes the following soft skills without team members even being aware that they are being coached and experiencing them. Time

Management, Planning, Creative Thinking, Motivation, Encouragement, Strategic Planning, and then of course a little engineering.

Delegates compete against one another on a cumulatively built race track. All teams are given the same tools and equipment to Build a Strong Bridge that can endure the Race Adrenalin that comes in the second half of the Team Building Activity. Teams gear up with remote control vehicles where a relay race takes place. During this time, team mates are the support and motivational crew for the driver.

Each Team Member gets a turn to take the 'Drivers Seat'. Build Bridges that last!
