WORKING AS A TEAM

AFFORDABLE ADVENTURES **TEAM BUILDING**

EVERYTHING A **SUCCESSFULL** TEAM NEEDS

CARDBOARD REGATTA

Your delegates are broken up into teams where they need to come up with a boat building plan. We provide you with all the materials necessary to make your floatation device and its up to you to choose your finest captain, crew, first engineer and maintenance manager. Scoring is time based.

This activity is enormous fun. We recommend that the delegates crewing the boats can swim, however life jackets are provided for all attempting the dam crossing. It's a fun way to get staff to work together on a project they have never embarked on before, in the work place as well as at the event.

The winners walk away with bragging rights for the year. You can make this your annual event and keep a plaque board up in the office to record the title holders!
